### Message from the President

Greetings from your 2011 ACA President!

Yes, our 11<sup>th</sup> year! The end of December 2010 brought to a close the first decade of ACA's existence! The year 2011 should be one of reflection, celebration, anticipation and expectation as we move forward!

During 2011 we'll look at some of our achievements and look closely at what we are presently doing, all with the intent of making ACA one of the strongest and best art organizations to be found! As your President all suggestions for making ACA the BEST will be welcomed and considered.

We are truly grateful for the dedicated artists who have served ACA faithfully and tirelessly to lay a solid foundation for artistic growth. Our 2011 ACA Board is poised to do its best to provide opportunities to build upon this foundation which, if acted upon, will produce positive results, both individually and collectively.

We have a collective wealth of talent and information in this organization and it would be nice to share. Do you have any tips you'd be willing to contribute???? Of course you do! Whether it's something you picked up in a workshop, something you've read or discovered on your own, please email to our Editor, Ed Souza at (eds49er@yahoo.com) and we will publish it in a future Newsletter. Look elsewhere in this Newsletter for the first one under the heading of "Tip Line" which I hope will be a monthly feature. The one appearing here is one I read in The Artists's magazine submitted by a Southern CA artist.

I'm eager to get to know ALL of you and look forward to working with you during 2011! I pledge my BEST and will ask no more than that from you, your BEST!

**HAPPY NEW YEAR! Bea Prince**

### Greetings!

Depending on when this newsletter is received, you will either be getting ready for the Christmas weekend or celebrating the New Year! I pray that everyone has found his or her own sense of peace this Holiday season.

The New Year brings new beginnings! We are currently scheduled for our first Open Fine Art Show to be held at ArtsVisalia with receiving to be on April 2nd. Times will be included in the prospectus that will come out in the February newsletter and sooner by email. I really like our shows in Visalia. It is an awesome gallery and even though we have to travel there a couple times during that month – it is well worth it. ArtsVisalia has a great group of committed art lovers and each year art is sold. Two pieces last year that I know of.

Member only shows and the Major open are in the works and all show information will be posted in the newsletter as the times get closer or by email. If you do not receive show information by email from me and would like to, please send me an email and let me know. I will make sure to update my address book.

Here's wishing everyone a happy New Year full of wonderful and exciting painting!

Valerie Greene ACA Director of Exhibits 269-5512
